

Linoleum Services

Linoleum is one of the most durable and cost effective flooring solutions on the market. It can last years and retain its original luster and look, with proper maintenance in place. With Baker's Floor Care, we take care of re-waxing the surface to prolong the life of the floor for as long as possible. Baker's Floor Care can even strip down to the base layer reconditioning the surface and resealing the linoleum, bringing it back to its original state. Let us protect your investment and ensure your flooring for years to come. Floor sealers that adapt to any maintenance program, be it monthly, weekly or daily care.
